School Plan Share:

Goal #1, based around purposeful play, we started to work on this goal when Cynthia first arrived at Forest Hill. Working on how it looks and how can we collect data and guide our teaching (social-emotional learning)

Goal #2, voice and choice of students, sit down with students twice a month and get input from students on their likes and dislikes. These ideas will help us with our Fantastic Fridays. This goal came directly from our perception survey.

Goal #3, school behavior (hitting on the playground was the biggest issue). Made friendship problem solving posters with samples of small, medium, and big problems. Want consistent language, next steps are to have a school assembly, then we will continue to teach and model.

Plan was approved by Madelyn, Erin, Heather, Andrew, and Jenna
